the homecoming dance and the senior prom - teary-eyed (but smiling) newly crowned queens - late night gym-decorating parties - learning the real secret of crepe paper-draping - noisy pep rallies and noisier bus rides to out-of-town games - the senior play - bake sales, car washes and clean-up campaigns - moving out to the sound of the newest group...!

"You've Got A Friend

Tension Mounts as '75 Homecoming Takes Shape

Flying streamers, long hours of decorating, a thrilling overtime victory, and the excitement of waiting for the queen's entry; these are only a few of the memories we'll have from our '75 Homecoming.

Student Council worked for days to perfect the stage, and the Trojans worked for months to perfect their game.

All efforts were rewarded when the night finally came and the festivities became a reality.

FRIENDLIEST

Sharon Tanner, a senior, is well known around school for her extraordinary music abilities. When asked what she thought about being elected "Friendliest," she replied, "I thought it was a great honor, but the picture looked too much like me."

Greg Odom, proud to be a member of the C.O. Trojans, works at the Veterans Hospital during the mornings, while the rest of us slave away in class. He is a junior and is already looking forward to graduation.

MR. AND MISS C.O.H.S.

Terry Dahmer is planning to go into carpentry apprenticeship after he graduates. He is the "best" senior on the basketball team. That could be the result of being the only one.

For excitement, he enjoys racing his tractor and competing in tractor pulls.

Polly Richey, a sophomore, enjoys cheerleading, Student Council activities, YFC, and FHA. Outside of school her hobbies include horseback riding, tennis, swimming and softball.

"THE CROWNIN'"

Who says that all Future Homemakers of America do is attend conventions and learn to cook and sew?

This year the Crab Orchard Chapter came up with an idea that affected the whole school! They sponsored an all school dance in February.

Members of the club worked hard to decorate the multi-purpose room, obtain a band, provide refreshments, and put together a coronation. The results were really something to be proud of! The crowd was surprised when the king and queen happened to be brother and sister!

"Of course I'm busy decorating."

"If I have to dip one more cup of this stuff!"

"Hey, that band isn't too bad!"
